

Course on Leadership and Professional Skills for Early Career Psychiatrists

Zagreb, Croatia (16-18 December 2017)

Directed by Professor Norman Sartorius

This Course will aim at developing the participants' leadership and professional skills. It's a great opportunity to learn how to make presentations and posters, how to read and write scientific articles, prepare a proposal for a project, produce a curriculum vitae, chair a session and also how to deal with other challenges that young psychiatrists face.

- It is tailored for postgraduate trainees in psychiatry and psychiatrists within 5 years of completion of specialist training
- Participants must be fluent in English language
- The participants will be expected to prepare an oral presentation and a poster for this course

APPLICATION:

To apply the candidates should submit a curriculum vitae, motivational letter, signed recommendation letter from their institution certifying that they are psychiatry trainee or within 5 years of completion of specialist training, proof of fluency in English language (certificate or senior colleague's statement that applicant is fluent in English).

Application and accompanying documents should be sent by email to zagreb.psychiatry.school@gmail.com

Deadline for applications is 1st October 2017.
Selected candidates will be notified by 15th October 2017.

Participants are expected to pay € 50 to help with the costs of accommodation and meals which will be provided to the participants by the host organizations.
